# INTERNATIONAL TALENT SEARCH EXAMINATION
## 2024 - 2025 PRACTICE PAPER

## CLASS – V
## SUBJECT – COMPUTER

1. How is multimedia used in the field of medicine?
   A) Doctors can get trained by viewing a virtual surgery or by simulating a surgical procedure without endangering the life of a human being
   B) Multimedia is heavily used in the entertainment industry, especially to develop special effects in moves.
   C) Multimedia games are a popular pastime and these are software programs available either as CD ROMs or online
   D) All of these
   E) None of these

2. How is e -business is helpful to the customer-client relationship?
   A) Improved Speed of Response
   B) Improved Efficiency and Productivity
   C) Improved Customer Service
   D) All of these
   E) None of these

3. Multimedia is the presentation of a computer application incorporating media elements such as text, graphics, animation, __ and video.
   A) Audio
   B) Movie
   C) Books
   D) All of these
   E) None of these

4. In what areas internet banking is very useful and time saving?
   A) Income Tax Portal
   B) India Passport Office
   C) IRCTC Portal
   D) All of these
   E) None of these

5. Interactive Multimedia allows the users to __ in the application.
   A) Passively Participate
   B) Process Input and Output
   C) Actively Participate
   D) Send Mail
   E) None of these

6. How can you change a Page Number Style from 1,2, 3.... to a, b, c ... ?
   A) Goto Page Layout tab→Header & Footer→Page Number→Format Page Numbers
   B) Goto Format tab→Header & Footer→Page Number→Format Page Numbers
   C) Goto Insert tab→Header & Footer→Page Number→Format Page Numbers

D) None of these

7. Which of the following statements is INCORRECT about Header & Footer in MS-Word 2010?
   A) You cannot insert a picture in header & footer area.
   B) You cannot apply Drop Cap feature to header & footer text.
   C) You can specify a unique header and footer for the first page of the document.
   D) You can specify different header and footer for the odd and even numbered pages.

   B) View only the textual content not the graphics
   C) Maximize the area available for reading a document
   D) View the outlining tools

9. How do you increase the line spacing between two lines?
   A) Home tab→Insert group→Line Spacing
   B) Home tab→Paragraph group→Line and Paragraph Spacing
   C) Insert tab→Insert group→Line Spacing
   D) Insert ta→Paragraph group→Line Spacing

10. Which of the following options align text to both left and right margins, thus creates a clean look in the page?
    A) Justify the text
    B) Add borders around the text
    C) Center align the text
    D) Adding paragraph marks in the document

11. Which of the following is a function of an Operating System?
    A) Memory management
    B) Process management
    C) File management
    D) All of these

12. Which of the following is a system software that supports Graphical User Interface?
    A) MS-Word
    B) Windows 8
    C) MS-DOS
    D) Windows Media Player

13. Which of the following is/are desktop publishing package?
    A) PageMaker
    B) CorelDraw
    C) WeChat
    D) Both [A] and [B]
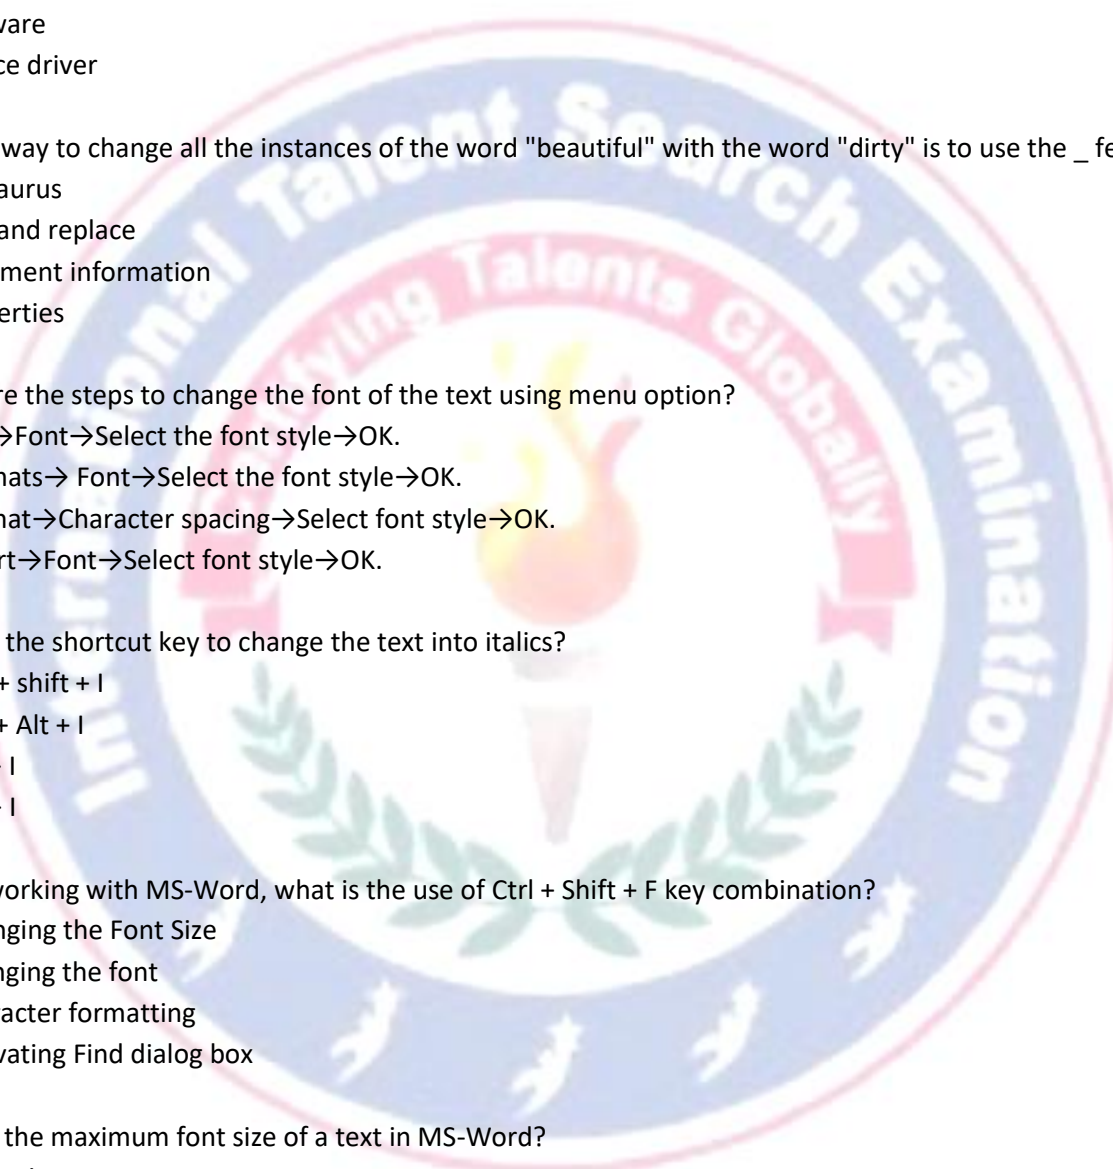

14. What is a software package?
A) An application that contains various programs that shares the same look and feel.
B) A set of devices that comes in a sealed packet.
C) A program that is needed to start the computer.
D) All of these

15. A printed circuit board is a rigid, flat board that holds chips and other electronic components that are needed for a computer system. Which among the following is a PCB?
(1) Motherboard
(2) Memory modules
(3) Network interface
A) Only (1)
B) Only (2)
C) Both (2) and (3)
D) All (1), (2) and (3)

16. Which of the following components found inside the CPU box converts the incoming electricity into proper voltage and supplies it to other parts inside the CPU box?
A) SMPS
B) Hard Disk
C) Memory chips
D) Sound card

17. Match the functions of software in Column-I with their respective names in Column-II.

| Column - I | Column - II |
|---|---|
| (a) This Software allows us to perform specific types of jobs and is designed for end users. | (i) DTP Software |
| (b) This Program lets you create documents such as letters and reports. | (ii) Utility Software |
| (c) This package is used to design professional document like newspapers, magazines books, etc. | (iii) Database Management System |
| (d) This software helps in the smooth functioning of the computer. | (iv) Application software |
| (e) This software helps us arrange and store a large amount of information in an organized way. | (v) Word Processer |

A) (a) - (iv), (b) - (v), (c) - (i), (d) - (ii), (e) - (iii)
B) (a) - (iv), (b) - (ii), (c) - (i), (d) - (iii), (e) - (v)
C) (a) - (iv), (b) - (v), (c) - (iii), (d) - (ii), (e) - (i)
D) (a) - (i), (b) - (ii), (c) - (iii), (d) - (iv), (e) - (v)

18. A microprocessor is a small _____ that contains thousands of electronic components that store and process electrical instructions.
A) Software
B) Chip
C) UPS

D) Register

19. What is the purpose of a CPU heat sink?
    A) It blows cool water onto the processor.
    B) It stores energy created by the processor to power the computer.
    C) It dissipates heat from the processor.
    D) It keeps the processor warm enough to function correctly.

20. Which of the following is/are the hardware interfaces to connect devices to the computer?
    A) USB
    B) FireWire
    C) Thunderbolt
    D) All of these

21. What type of computer component may come in a dual-core version?
    A) RAM
    B) CPU
    C) SSD
    D) PCI Card

22. A/An _____ software allows us to perform specific types of jobs and is designed for end users.
    A) System
    B) Compression
    C) Backup
    D) Application

23. Utility software are programs designed to perform maintenance work on a computer system, so that the system can function smoothly. Which among the following is/are utility software?
    (i) Word processing software
    (ii) Disk defragmenter
    (iii) Antivirus software
    (iv) Desktop publishing software
    A) Both (i) and (ii)
    B) Both (ii) and (iii)
    C) Both (iii) and (iv)
    D) Both (i) and (iii)

24. What is CAD software used for?
    A) Developing computer programs
    B) Creating 2D and 3D models
    C) Editing digital photos
    D) Editing digital videos

25. Mozilla Firefox, Google Chrome and Apple Safari are all ____ software.
    A) Utility
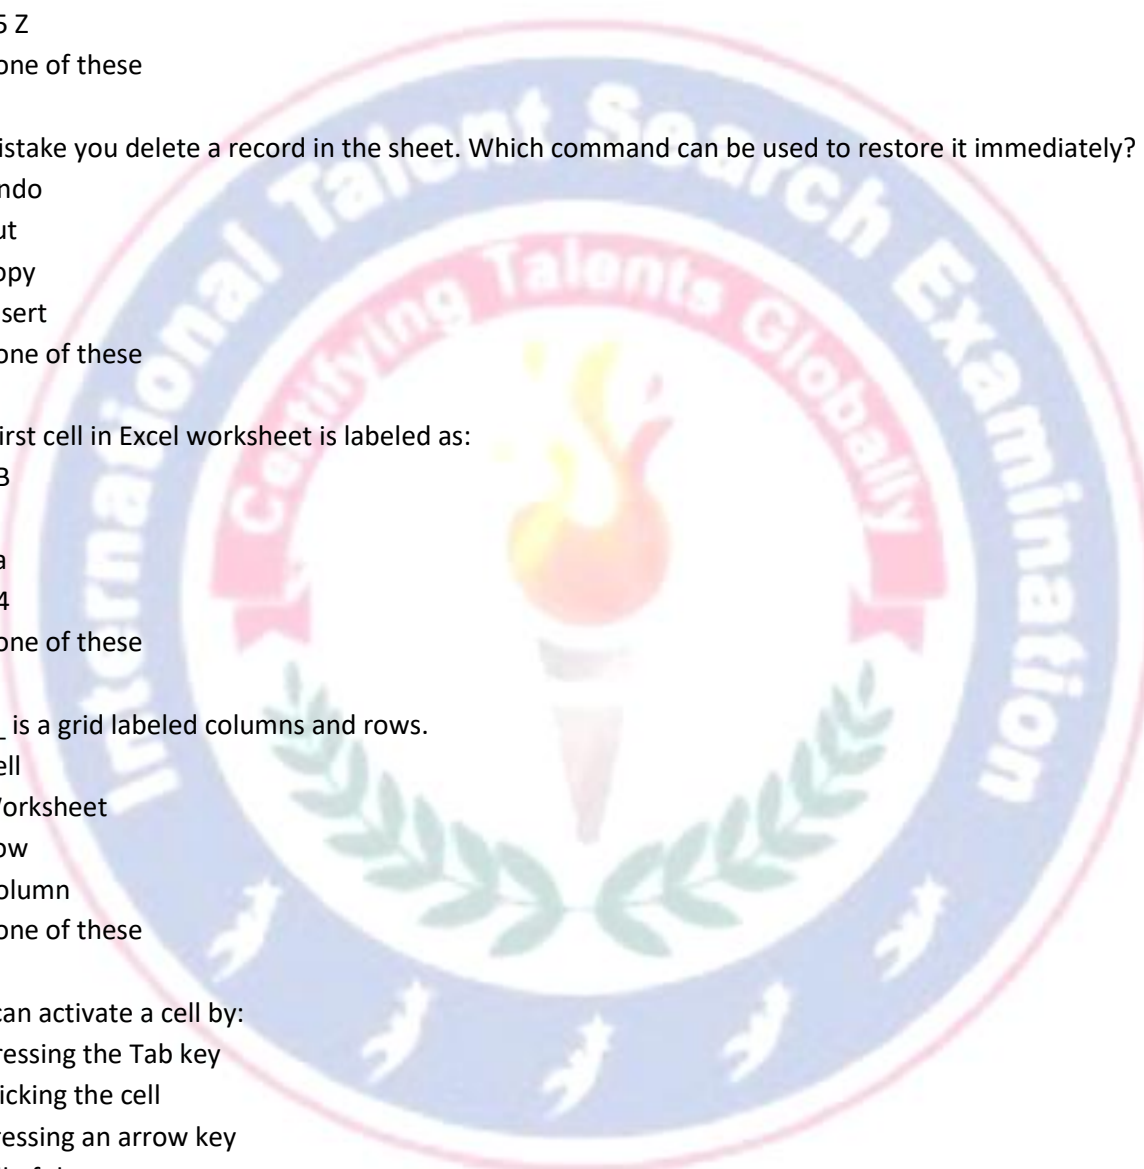

B) Web Browser

C) Image Editors

D) Video Player

26. A language processor is a/an _____ that translates or converts a program written in a computer language into the machine language form, so that it can be understood by a computer.

A) Hardware

B) Expansion card

C) Software

D) Device driver

27. A quick way to change all the instances of the word "beautiful" with the word "dirty" is to use the _ feature.

A) Thesaurus

B) Find and replace

C) Document information

D) Properties

28. What are the steps to change the font of the text using menu option?

A) File→Font→Select the font style→OK.

B) Formats→ Font→Select the font style→OK.

C) Format→Character spacing→Select font style→OK.

D) Insert→Font→Select font style→OK.

29. Identify the shortcut key to change the text into italics?

A) Ctrl + shift + I

B) Ctrl + Alt + I

C) Ctrl+ I

D) Alt + I

30. While working with MS-Word, what is the use of Ctrl + Shift + F key combination?

A) Changing the Font Size

B) Changing the font

C) Character formatting

D) Activating Find dialog box

31. What is the maximum font size of a text in MS-Word?

A) 100 points

B) Anything

C) 1638 points

D) 72 points

32. Which is the shortcut key combination to left align a paragraph in MS-Word?

A) Ctrl + L

B) Ctrl + C

C) Ctrl + B

D) Ctrl + I

33. Varun was asked to prepare a document in MS-Word by applying border to it. Which of the following is the route in MS-Word to create the borders for his document?
    A) File→Border and shading
    B) Format→Borders and shading
    C) Insert→Borders and shading
    D) Tools→Borders and shading

34. Which of the following combinational keys displays font dialogue box?
    A) Ctrl + B
    B) Ctrl + F
    C) Ctrl + C
    D) Ctrl + D

35. Caps key is used to type the alphabets in capital. What is the other method to do so?
    A) Shift + alphabet
    B) Ctrl + alphabet
    C) Alt + alphabet
    D) All of these

36. In MS-Word cut, on which tab are copy and paste options available?
    A) File
    B) Edit
    C) View
    D) Format

37. What is the intersection of a column and a row on a worksheet called?
    A) Cell
    B) Address
    C) Row
    D) Column
    E) None of these

38. Which of the following is not a valid data type in Excel?
    A) Text
    B) Number
    C) Label
    D) Time
    E) None of these

39. Which toolbar allows you to enter values and formulas?
    A) Title Bar
    B) Formula Bar

C) Menu Bar
D) Standard toolbar
E) None of these

40. Select the correct option for cell address:
    A) 2512
    B) A 25
    C) 911
    D) 45 Z
    E) None of these

41. By mistake you delete a record in the sheet. Which command can be used to restore it immediately?
    A) Undo
    B) Cut
    C) Copy
    D) Insert
    E) None of these

42. The first cell in Excel worksheet is labeled as:
    A) AB
    B) AI
    C) Aa
    D) A4
    E) None of these

43. A ____ is a grid labeled columns and rows.
    A) Cell
    B) Worksheet
    C) Row
    D) Column
    E) None of these

44. You can activate a cell by:
    A) Pressing the Tab key
    B) Clicking the cell
    C) Pressing an arrow key
    D) All of these
    E) None of these

45. An Excel workbook is a collection of:
    A) Worksheet
    B) Cells
    C) Charts
    D) Worksheets
    E) None of these
